Huronion Region Development Meet#1 - Bracebridge

This past weekend the Trent Swim Club competed in Bracebridge at the first regional development meet. These meets are designed to provide competition and events appropriate for swimmers that are fairly new to the sport of swimming. With only 19 swimmers competing, Trent did very well. There were only 2 disqualifications, and 80.3% best times including first swims. 10 swimmers had 100% personal best times including first swims.

For a few of the swimmers it was only their third meet. Kieran Krumins, Alistair Hutton, Patrick Daley and Brooke Hannah had a very busy meet with their first 200m swims. Jack Hutton also did very well in his 100BR with a time of 1:58.75.

Congratulations to Matt Vaughan, he qualified for Regionals in 200Bk with a time of 3:23.28.
